THANK YOU, KDHE and HEALTH DEPARTMENTS

▣ Goals of MOBI

- To increase physician office awareness of immunization issues
- To increase the numbers of offices giving immunizations
- To encourage the Medical Home concept with partnering between Health Departments and KAAP

THANK YOU, KDHE and HEALTH DEPARTMENTS

- ▣ The MOBI grant period is finished, but the KAAP is committed to encouraging pediatric offices to continue the MOBI processes
- ▣ Education offerings are being developed
- ▣ Continuing education opportunities are planned
- ▣ The Immunization Manual is being distributed
- ▣ Information through electronic media, such as academy web sites is being developed

THANK YOU, KDHE and HEALTH DEPARTMENTS

- ▣ KAAP looks forward to working with you for the benefit of ALL our little friends.
- ▣ THANK YOU for all you do!!!
